The Stilwater Development is an area of 59 home sites on a beautiful quiet cove of Deep Creek Lake. Most of these homes are private residences where owners come to rest, relax, and enjoy friends and family. Please respect the rights of all residents, their property, the shared common areas, and these rules and regulations.

Per the Stilwater Covenants: “8.10 Rules: In order to assure the peaceful and orderly use and enjoyment of the property, the Board of the Association may from time to time adopt, modify, and revoke in whole or in part, such reasonable Rules and regulations, to apply equally to all similarly situated Lots and Members governing the conduct of persons on or use of a Lot and the Common Areas, as the Association may deem necessary. All such rules shall be binding upon all Members of the Association, occupants, and visitors to the Property.

Per the Stilwater By-Laws: ARTICLE VII Section 1 Powers and Duties of the Board of Directors.

“The Board of Directors shall have the power to:

- (a) adopt and publish rules and regulations governing the use of the Common Areas and facilities, and the personal conduct of the members and their guests (renters) thereon, and to establish penalties (fines) for the infraction thereof consistent with the Declaration;
- (b) Suspend the voting right and right to use the Common Area of any member or members during any period in which such member or members shall be in default in any payment levied by the Association. Such rights may also be suspended after notice and a hearing before the Board, for a period not to exceed sixty (60) days for infraction of published rules and regulations;”

The **enforcement** of the rules and regulations shall be in accordance with the Maryland Homeowners Association Act and the Association’s Declaration of Covenants, Conditions and Restrictions (the “Declaration”) and Bylaws, which are recorded among the land records for Garrett County, Maryland.

The enforcement procedure in summary shall be:

- A. Written notice of violation and 15-days to abate the infraction without further sanction.
- B. Should the violation continue beyond the 15-day corrective period or if the same violation occurs within a 12-month period, a written notice will be provided of the proposed sanction to be imposed and advising you of your right to request a hearing to be held by the board in executive session.
  - a. If a hearing is requested, the board will provide written notice of the time and place of the hearing, which will not be less than 10-days after the request.
    - i. At the hearing you will have the right to present evidence and cross-examine witnesses.
    - ii. You will be afforded a reasonable opportunity to be heard.
  - b. Following the hearing (or if no hearing is requested), the board will deliberate in a closed session as to whether the violation occurred and decide if a sanction is appropriate for the violation.

A final written notice will be issued with the verdict.

The Association may impose a fine, suspend voting or infringe upon any other rights of an Owner or other occupant for violation of the rules upon compliance with applicable law, and this Declaration.

As such, the Board of Directors has developed the following clarifications of the *most common* Rules and Regulations. This document is not to be considered inclusive of all possible infractions. Each identified infraction will be evaluated and enforced in accordance with the Covenants and By-Laws.
