OTD618

A 3D perspective rendering of a book spine. The spine is made of light-colored wood with a visible grain. The top cover is white with a slightly rounded edge. The main body of the spine is a solid light gray. The text '4-1/4"' is positioned to the left of the spine, indicating its height. The text '9/16"' is at the bottom left, indicating the thickness of the spine. The text 'OTD620' is at the bottom right, likely a model or part number.
