This afternoon, at 4:00 p.m., there will be a **free, one-hour organ recital** on our church's wonderful 3-manual pipe organ. Steve Ellison, Ralph Boggess and several other local organists will present this interesting recital that will include a great variety of music which has been written for the "King of Instruments," as the pipe organ is sometimes called since it has been in existence for millennia, having been invented by the Greeks in the 3rd century BC. The Anderson Chapter of the American Guild of Organists is sponsoring this free organ recital, and a reception with light refreshments will follow in the chapel.

**This week the office will have irregular hours. Before coming to the church, you might want to call to ensure that someone is available to assist you.**

The **United Methodist Women** will meet Wednesday, April 10, at 10:30 a.m. in the **Jameson Chapel**. Please note the location change. Kathie Cannon will present the program. Special guests taking part in the program will be Martha, Mary, and Naomi. You want to be sure and be in attendance for this meeting. Please come, bring a friend, and stay for lunch. Lunch will be served immediately following the program and business session.

**Putting the Pieces Together:  
Learning the Passion Story Brick by Brick  
*A Lego Experience for Elementary Students***

Come join us for Children's Sunday School during the month of April for a unique experience. Children will learn the Biblical Stories of Holy Week while working with Legos! This would be a great time to invite friends!

Also – We need a little help! If you are in possession of the extra-large mega-blocks, (the ones that are about brick-size, used to build forts etc.) we would love to borrow them from you for one week near the end of April for the Resurrection story. Let Deana know if you can help with that.

**The Curiosity Shoppe is Still Open**

During the Fellowship Hall renovation, shoppers may enter the shoppe on Sunday mornings through the door on the far left side of the education building. The shoppe may not be accessible through the Fellowship Hall for a few weeks. Look for signs on the outside of the buildings.

Temple of Israel Campus, 400 Spring Forest Road, Greenville**

ShalomFest has evolved from a congregational event to a community-wide attraction. While food remains a highlight with traditional Jewish meals and desserts available throughout the day, the many cultural offerings also appeal to interested attendees of all religions. In fact, curiosity about Judaism is incredibly prevalent among area residents. ShalomFest attendees will enjoy re-enactments of lifestyle events (Bar/Bat Mitzvah; Jewish Wedding); live Klezmer music and Israeli song & dance; a broad spectrum of Jewish cultural activities including holiday celebrations, cooking demonstrations, and craft projects. There will be presentations on religion, language and Israel as well as games for children. Local Rabbis will present a Speaker Series offering new topics of interest for attendees.
