Announcements

- **Can you help?** All the Sanctuary Christmas decorations will be taken down today at 2:00 pm. Every skill level is needed. There are tasks that can be done seated. Please come and help even if you can only assist for one hour. Thank you!
- **United Methodist Women of Faith Meetings** Ladies, join us at 10:00 am this Wednesday, January 8, in the Fellowship Hall for the UMWF monthly meeting. UMWF Circle #7 will meet at 10:30 am, Wednesday, January 15, in the Fellowship Hall.
- **Pledge Cards** Because we did not have a formal “Stewardship Campaign” for 2025, you are requested to provide an estimate of your 2025 “for the budget” giving. On the next two Sundays (1/12 & 1/19), there will be pledge cards in the bulletins. Additional pledge cards will be available in the narthex and the church office. It will be very helpful to have your pledge cards returned no later than 1/20. You can place them in the offering plate or deliver them to the church office during the week. These estimates are helpful as we look ahead to EFUMC’s finances for 2025. A budget of \$541,018, was recommended by Finance and approved by Church Council. In addition, there are two potential financial situations whose impact is not known at this time: roof repair and sanctuary heating system. Copies of the 2025 budget are in the narthex. If you have any questions, feel free to contact Carl Klebe - Finance Committee Chair
- **Buford and Sudie McKelvey Scholarship** This scholarship is for High School Seniors from Pickens County who have a need for financial assistance to pursue a degree at a four-year accredited college or university. The deadline for applications and supporting documentation to be received at Easley First United Methodist Church is February 28, 2025. Visit the church website (easleyfumc.org) for an application.
- **Live-streaming of the 11:00 worship service** For the third and fourth Sundays of each month, we will not be live-streaming the 11:00 service. We do not have enough A/V support for the third and fourth Sundays to be able to continue to do the live-stream. Consider volunteering for the Audio/Video Technical Team. There will be free training where you can learn a new skill. Contact the church office if interested.
