2026 Stewardship Campaign

Dear Church Family,

Over the next several weeks, Commitment Cards for 2026 will be available. You are asked to prayerfully consider and respond concerning your 2026 support for the mission and ministries of EFUMC. Although the proposed financial budget is a focal point, I would hope that your financial response is a result of your involvement and participation in the mission and ministries of our church home.

As we look forward to 2026, our prayer is that the Holy Spirit will lead each of us to discern God’s will for his church here in Easley. We have many blessing to celebrate. One is that we have come through a season of divisineness and can, if we choose to, have a positive outlook for the future. Staff, finances, and facilities are important and necessary. However, the most important dimension of “Commitment” is participation in the life of our church home. That is not just attendance, but calls for serving at whatever level you can. There is no such thing as an unimportant task or job. One area of need is the filling out of the church’s roster of committees and ministries groups.

When you volunteer you really get to know what is being done, what needs to be done, and what and how you can best contribute. And besides that, and maybe even more important than that, your get to have and build relationships with your brothers and sisters in Christ.

Yours in Christ,

Carl Klebe – Finance Chair
