

Supernatural Protection in your Life and Marriage

God protects his own and when you and your mate make a commitment to receive Jesus and ask him into your heart and life and ask him to forgive your sins he will. But there must be repentance (don't do them again). He says I will forgive your sins and never remember them as far as the east is from the west and I will throw them into the deepest ocean never to remember again. Now watch this, he then adopts you into the family of God and you become a son and daughter of the living God. Can you believe this? You are a child of the living God with all the rights, benefits and privileges of heaven the same ones that Jesus has. God is now your heavenly father and you are his son. If you abide in his word and you have him in your heart and he in yours, he says I will give you the desires of your heart that means your family. It doesn't get any better than this. You are saved and born again if you confess all this with your mouth and believe in your heart that Jesus is the son of God and he died for your sins. You will be saved and born again. You will begin a new life with a transfusion from your blood with the blood of Jesus and his blood begins to flow through your veins Supernaturally. Your DNA is actually exchanged for his and his blood is now flowing through you. He gives you a new heart. I said it doesn't get any better than this but God wants the best life for you and he does this through the third part of his trinity. He gives you the opportunity to receive

this Holy Spirit just like you did accepting Jesus. You must ask to receive the Holy Spirit to Council, comfort and Teach you his ways. When you receive the Holy Spirit he gives all of himself: God the Father, God the Son and the God the Holy Spirit. The total fullness of God. When you receive the Holy Spirit you he gives his power and authority to witness and give testimony of the goodness and love of God just as he did with Jesus when the Holy Spirit descended upon him when he was baptized and his ministry started with Power and Authority. You will start your ministry of laying on of hands and the sick will recover, You will drive out demons from people and yes raise people from the dead. Just believe and you shall receive. You see the power of God now flows through us from heaven to earth. From God who is spirit, through us to the physical for healing. Through his power the Holy Spirit manifests himself by lay hands on people and they are healed, demons that have possessed people for even years flee, and people are blessed by laying on of hands. The Holy Spirit will also give you confidence and courage to give testimony and witness to help bring people to the Lord. To show you the need to receive the Holy Spirit. Over 90% of Christians that haven't received the Holy Sprit have never led anyone to Christ. This is in our church today. The respected Barner Poll says most Americans do not believe in the Holy Spirit and even hell. There going to Heaven but there going beat up, battered and bruised. Some 85% of Christian have not received the Holy Spirit. I believe their is a direct correlation between these two facts and that most American Christian don't believe in the Holy Spirit and the devil. Sad but true says Barna Poll. So let us expose how the

power of God flowing through Christians will help us become **“Lovers for life” and have Supernatural Protection to help you discover the Plan and Purpose for your Life and Family.** Remember God protects his own who are sold out to the fullness God Father, God the Son and God the Holy Spirit. I would like to prove the power of God through the laying on of hands and the power of touch. There is a spiritual truth to touching when two people shake hands and even touch each others shoulder and even hugging. The parties are sharing spiritually I care, I’m with you. We are all in this together There is a special feeling of spiritual love that is transmitted between the two people from the supernatural power of love traveling your bodies. With all that is going on in the world we could suspend for a time just like in a marriage when two mutually agree to not have relation with the other for a time so it is with this virus that is reaping havoc on our society. When two people hug or shack hands. A example happens is when a teacher puts his hand on a students shoulder, when couples hold hands, when people kiss each other. The hand is one of the most tools used to communicate our love for one other with the power that flows through the hand like a conduit. Also, there are millions of people wondering around all their lives trying the to find their Purpose going from job to job, place to place marriage to marriage relationships to relationships, counselors to counselors. People are unhappy and living in torment drinking, taking drugs, committing suicide and living in unnatural relationships searching for answers. There is an answer to the perplexing problems that rob us of a happy and prosperous life. It’s so simple it’s the
