

FOR IMMEDIATE RELEASE

Launch of THE PRESCOTT AREA HOME WATCH

Local owners open a home watch service

January 15, 2019

Prescott, AZ – Locally owned and operated **THE PRESCOTT AREA HOME WATCH** announced today they are open for business offering **home watch services** for the Prescott Quad Cities community. This service is targeted to owners whose homes are unoccupied for an extended period, are vacationing or need to travel suddenly. The service offers a regularly scheduled checkup on a home helping to ensure it is safe and secure, both inside and outside, and major home systems (irrigation, water, electrical, heating and air conditioning) are functioning properly.

About THE PRESCOTT AREA HOME WATCH

- Home Interior and Exterior Checkup – Walk the Property
- Check for evidence of vandalism/break-in
- Check water, HVAC, pest evidence, irrigation operation. Run taps, flush toilets, pick up debris/newspapers/packages/mail
- Cycle lighting on/off and open/shut curtains/blinds/shades
- Check Garage; Start and Move Vehicles
