BE COMMUNITY IN 2026!

What beautiful celebrations! The Community gatherings and services just before Christmas were so festive and energetic. So many of you engaged and enjoyed one another -- including those newer to you.

"If you are kind only to your friends, how are you different from anyone else? Even pagans do that."
 Matthew 5:47 NLT

As we enter into 2026, keep an open space in your heart for those newer and different than you. Each Sunday, notice and engage at least one of these people. Perhaps invite them to sit with you during the service, or in the fellowship hall afterward.

"When you put on a luncheon or a banquet...invite the poor, the crippled, the lame, and the blind." Luke 14: 12a, 13 NLT

Throughout 2026, make it a habit to have the "Jesus Chair" and the "Empty Chair" ready in your heart. Also, keep the eyes of your heart seeking those newer and perhaps challenged. For, Jesus Himself said:

"I tell you the truth, when you did it to one of the least of these my brothers and sisters, you were doing it to me!" Matthew 25:40 NLT

We are a rather diverse bunch from various backgrounds and challenges who are all together in Christ. Therefore, in 2026,

Be Community!

God has put the body together, giving greater honor to the parts that lacked it, so that there should be no division in the body, but that its parts should have equal concern for each other. 1 Corinthians 12:24b-25. NIV

YOUR CHURCH BOARD 2026

Wow! A year has gone by already. It seems like we were in summer a couple of weeks ago.

We have some changes on the One Board. We've lost two wonderful members and gained one wonderful member. Sharon Kirby and Bill Barrett ended their terms December 31 and are on to new directions in their lives. We thank them for their time, ideas, and knowledge. We pray that their new journey is blessed and fruitful.

The Board welcomes Rhonda Miller. She has a big heart for feeding and serves in the kitchen. We are looking forward to working with her. After taking a year off, Robb is back as Chair. The Board is happy to have him back and leading it again.

The One Board is definitely a collection of Jesus people. We all come from different backgrounds, but have the same love for Jesus.

Projects this year include replacing the air conditioner in the office. It made it through summer and gave up. This will keep Ellen, the office and the library cool. We are also looking at replacing the doors going out to the playground; the wood is breaking apart. If you have any suggestions for someone to bid the job or want to know more, please ask us. (see *list of members, positions and term endings below*)

We are looking forward to 2026 and continuing to make God's house a great and welcoming place.

Church Board Members, Titles, End of Terms

We Are on a Mission!

When Dale and I arrived at Zoar United Methodist Church during the summer of 2024, we soon discovered there was not much community involvement. Folks were connected and caring for one another and taking care of needs within the congregation, but beyond financial support there was no outreach into the greater community.

Early on, I began to talk to them about mission. They created their own definition of what that means. We discussed many avenues, but none moved them forward. Then one day, a member spoke about the Greene County Juvenile Detention Center (GCJDC). She had a son who served time there many years ago and who later served time in prison.

The next day, I happened to be at a grocery store near the facility and the Holy Spirit urged me to stop in. When I spoke to the director of the Detention Center, he explained that they did have a religious

group who provided programming on Friday nights but that the Miami Valley Juvenile Rehabilitation Center (MVJRC) next door was without such a program. He gave me contact information not only for the director at the Rehabilitation Center but also for the pastor who provided the program at the Detention Center. Before the end of the day, I contacted both. The director at the Rehabilitation Center welcomed my offer to provide a religious program which they were required to do but had

been without for some time. When we met with the pastor who provides the program at the Detention Center, he was eager to tell us that they had been praying for God to fulfill the lack of programming at the Rehabilitation Center. We were all in!

While waiting for our background checks to clear, we attended the Friday night program at the Detention Center and learned a great deal from the pastor who leads that group. We waited patiently while a new director took on the role at the Rehabilitation Center. Staffing arrangements, timing, and training had to fall into place. During the same period, the Zoar United Methodist Church formally left the United Methodist denomination and now has a new name, Zoar Extension Ministries, which meets in our home.

On a Mission (cont'd)

We have been praying, preparing, learning, and training for this exciting new opportunity to serve the youth. These are youth (male and female, ages 13-21) who have been arrested for felonious crimes and were chosen to go through a 6-9-month rehabilitation program instead of serving time at the Department of Youth Services.

On the afternoon of Sunday, December 7, we met the 18 youth at the Rehabilitation Center and started our first session. We approached the youth by asking them, "What do you want to know about God?" and goodness gracious did we get the questions. Talk about *asking, seeking, and knocking*...oh my! We feared we may have trouble engaging them, but their interest is almost overwhelming. Here are a few of their many questions:

"How many times does God forgive?"

"Why do bad things happen to good people?"

"How do I learn to read the Bible?"

"How does Jesus always live with us?"

"How do I build a relationship with God?"

"How do I know that God is real?"

"What does the Bible say about temptation?"

"After someone has received Jesus, why does it seem like life circumstances don't or won't get better?"

These questions challenge us to provide scripturally based answers and personal life experiences that will help the youth. 1 Peter 3:15-16 admonishes us to be prepared to give an answer to anyone who asks why we have the hope that is in us. As we follow Jesus, he brings others across our paths who are lost and seeking him. Perhaps there is someone in your life who has similar questions; how would you answer them?

Your Sister and Brother in Christ,

Sharon and Dale Kirby

Hope Restored-A Sunday Night Event for EVERYONE!

Every other Sunday evening at 6:30, we "create space" to fellowship and meet new people.

As different churches gather together, it is a great opportunity to invite visitors, and to hear about what God is doing in each local congregation.

Next Sessions: January 4: (Tommy is teaching!); Jan 18; Feb 1 and Feb 15.

A "hope filled" topic or message is presented. It is a "safe" place to share your God-given gifts and talents. Some sing or play an instrument, some share what the Lord is laying on their heart, others bring food, or share their individual talents, with the group.

It is a great place to "be" together. Give it a try!

UNPLUGGED

Unplugged Getting Into the Spirit of Service!

Happy New Year Community!

2025 was a great year of growth for Unplugged as we welcomed in some new kids from Whiz Kids and have also welcomed others.

In 2025 we really focused on teamwork and community. During the holiday season we worked on some of these skills by doing a service project making cookies for Christmas Eve service here at Community Church. This turnout was great! The kids and adult volunteers worked well together to bake 200 cookies!

We are looking for more opportunities to continue to serve the community in different ways so we can put our Jesus teamwork principles to work on the field. As always, we will have our monthly Friday night events. The next three will be January 23rd, February 20th, and March 20th. We are excited to see what the New Year brings and continue to walk with Christ on this journey.

Please pray for the adult leaders (Tuesdays: Bill, Brenda, Anna & Cortni; Fridays: Bill, Cortni, Logan, & Sherri) that we continue to seek God in everything that we do as a youth ministry and that the kids continue to grow their relationships with Christ.

Thank you! Blessings,
Bill

WHAT'S HAPPENING DOWNSTAIRS AFTER CHURCH?

Toward the end of Sunday snack time, you may have noticed a bunch of guys going downstairs into the old fellowship hall. Several of our guys in recovery gather there to work the new Steps Of Freedom in Christ and pray for one another.

- Joe Lorenz facilitates rides for most of these guys, and works with them throughout the week.
- Steve Hoke or Mike Raines facilitate the sessions.

IF YOU are a guy and would like to join them, see Mike, Steve, or Pastor Fritz.

WHIZ KIDS BLESSING 2025 & MOVING FORWARD INTO 2026

Whiz Kids is in full swing again! We closed out 2025 with an amazing Christmas party with games led by Rachel Huffman and a craft prepared by Diana Jordan. We have such an amazing team!

We start again on January 6th. We still have more mentors than kids, so if you know of a child who would benefit from Whiz Kids, let me know! And, we would really like to provide transportation from Virginia Stevenson Elementary, but we need a vehicle big enough for two adults and at least two children.

We are so blessed to be able to provide this program, now in our 10th year! If you have a story to tell about Whiz Kids, let me know. We are planning a 10 year celebration on May 5th and would love to share how God has moved in the kids and in the team.

Don't forget to pray for us!

In Jesus,
Claire

CELEBRATE RECOVERY FOREVER GRATEFUL FOR COMMUNITY

We as leaders are so grateful for Community Church and how you support us all. Thanks to volunteers Jim and Bill and the very nice church bus, we continue to bus in people in recovery from Woodhaven. Several people who have graduated from Woodhaven continue to come to our Celebrate Recovery.

We recently added Taunya and Tavia to our Lead team. Amy has stepped down from the lead team, but will continue to participate in the meetings. Thank you, Amy for your years of being on the Lead Team.

Also, thanks to Community's generosity, we did have turkey and sides for Thanksgiving and ham and sides for Christmas. We watched Charlie Brown's Thanksgiving on Thanksgiving and Charlie Brown's Christmas on Christmas. This was all on the big screen in the nice warm Fellowship Hall.

We will also be meeting on New Year's Day. We do want to thank all of the cooks and servers for the meals. If you are willing to help cook or provide a meal for someone to cook, please let us know. Or, if you want to come in any Thursday and help serve and clean up, you would be more than welcome.

Recovery people in our community continue to have success partly because of the support and love given from our leaders, drivers, cooks, and helpers.

Please continue to pray for our leaders and all of our participants. Lead Team: Taunya, Rhonda, Tavia, Mario, Steve N, Steve H.

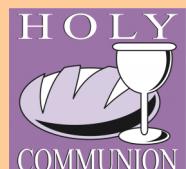

Remember, you are always welcome to join us for a meal or bring someone to our Thursday night meal, meeting and celebration!

MIKE & STEVE, CANDIDATES FOR CERTIFIED LAY MINISTRY

Both Steve Hoke and Mike Raines are already experienced and respected recovery ministers in our area. Certified Lay Ministry will bring them even more into the life of the church. They will likely finish their training by the end of 2026.

A Certified Lay Minister is trained and empowered to serve in various ministry roles such as preaching, teaching, leading worship, pastoral care, and church administration.

January Mission Sunday Offering:

Lyn Oiler Fund. Lyn had a heart to encourage challenged people. Her fund empowers those who want to serve challenged others to get the training they need.

Some recent recipients of Lyn's Scholarship fund are Amanda working on her ministry degree, Emily with a Peer Support Certification and Mike and Steve becoming Lay Ministers.

During the month of January (not just the 2nd Sunday) you can contribute to the Lyn Oiler Fund. Contribute on any Sunday or with our Online QR Code.

THANKING GOD!

We thank God for Sally Borba and her family.

For years, they have cooked, served, and paid for the meals that so blessed you on the first Sundays of each month.

In 2026, they will bless us on Palm Sunday, Mother's Day, Rally Sunday, and Consecration Sunday.

Please thank God for them and their ongoing gift. Then, when you see them, bless them.

A "thank you" is culturally polite. A blessing warms the heart and brings out God's best in others.

COMMUNITY DNA 2026:

We are a people and place in which each of us:

- Approach God as God and Jesus as Lord and Savior--a place where the Cross is up front and center.
- Know who we are and Whose we are in Christ.
- Develop habitual humility before God and one another.
- Learn to deeply listen so as to hear God and others.
- Honor and grace others. With favor, we honor people as they are -- God loved people.
- Build deep relationships; not come together to pose and perform.
- Become more real, and less fake.
- Seek to bring out God's best in one another.
- Learn how to speak the truth in love, and to hear the truth in love without taking offense. Become "Unoffendable."
- Overcome old hurts habits, and hang-ups; settle and heal.
- Serve as a "safe person" making for a "safe-place."
- Go to and serve challenged people "where they are at," and invite them into our lives and church. To present Jesus as the active Lord and Savior through our words and actions.

Your WELCOME CLASS:

A class for potential new members to understand and get more involved with the Lord, life, and mission of Community Church.
