Come & Grow Your
Freedom in Christ

CLAIRE MERKES RETREAT SPEAKER

Claire Merkes is, foremost, a loved child of God and greatly desires for others to know the same about themselves! She is married to Pastor Fritz Merkes, and together they have led churches for almost 34 years. She has been associated with Freedom in Christ Ministries since 2016, leading classes both in person and online, and taking people through the Steps to Freedom in Christ.

The Steps to Freedom in Christ is what Claire will be leading the group through at the retreat. It is a truth encounter with the Lord in which the participant goes through seven different areas in our lives that can affect our relationship with God and keep us from experiencing the freedom that God intended for us. Claire will guide the group through the Steps by encouraging participants to allow the Holy Spirit to speak to them and guide them through a gentle process of repentance.
