July 7, 2019—God Bless America—Land of Immigrants

Want to keep God in our hearts and home? Feed the hungry, clothe the naked, forgive the guilty, welcome the unwanted, care for the ill, love your enemies, and do unto others as you would have done unto you.

### A Nation of Immigrants

After scraping together whatever money they could, fleeing for their lives, packing their entire lives into bags and trunks, and spending as much as two weeks in the third class steerage accommodations of massive steamships, poor immigrants largely from all over the world would converge en masse at the inspection station on New York's Ellis Island.

For each individual, it was an arduous journey. For the entire 12 million plus Ellis Island immigrants that became Americans in the late 19th and early 20th centuries as a whole, it was the largest overseas migration in human history. This wave of immigrations did not count the 1800's immigration. Yet, as grueling and immense as this unprecedented wave of immigration was, the processing at Ellis Island was largely simple.

Of the 98 percent of immigrants that made it in, the experience of passing through the Ellis Island gateway was surprisingly painless and quick. In the vast majority of cases, no identification papers were necessary and you'd be in and out in three-to-five hours, during which time you'd answer a series of basic legal questions about you and your past, prove that you had just enough money (approximately 20 dollars) to set yourself up, and undergo a "six-second physical" in which a doctor would simply glance at you and make sure that you had no obvious, chronic ailments. Essentially, if you could convince officials that you were neither criminal, insane, nor gravely ill, your passage through Ellis Island was almost perfunctory. No legal papers, identification were needed.

But as simple as the act of passing through the proverbial gate may have been, the underlying significance of that passage of human lives was truly momentous. You entered Ellis Island as a Russian, Oriental, Italian, Slav, Jew, Greek, Pole, Serb, Czechoslovakia, Irish, French, German, English, Belgian, Austrian, Turks, Hungarian, or Guadeloupean and left it as an American.

Celebrating our independence, we might pause to tell our personal reflections of immigration by sharing stories of our own ancestors immigrating to America.

#### Times of Your Life

Good morning, yesterday  
You wake up & time has slipped away  
And suddenly it's hard to find  
The memories you left behind  
Remember, do you remember?  
The laughter and the tears  
The shadows of misty yesteryears  
The good times & the bad we've seen  
And all the others in between  
Remember, do you remember  
The times of your life? (do you remember?) by Paul Anka

Time to dig into the treasure chest!  
As we remember the times of our lives in our church, let us celebrate our history by sharing pictures of Shepherd Priests who lovingly led us, family events, building, and gatherings. Write a memory down and share it! Put your heart into our celebration because that is where memories are stored.

**A Church History Collage** will be on display as we celebrate on August 25th. Please forward print copies to a committee member; Paul Rock, Joe Dierickx Tom Walter, Diane Skinner, and Camille Lancaster.

Sacred Heart Sanctuary guild will meet on Monday, July 8. Serving Committee is: Mary Murray, Patty Manuel and Shari Crock.

We welcome new members Neil and Chris Cavazza and family and Rick and Wendy Swan to our parish family. We are anxious to meet you, and we hope you will enjoy being part of our parish family here at Sacred Heart!

Congratulations to new Council members Sarah Rissler and Wendy Swan. Thank you to retiring members Ron Nowachek and Mark Deniston.

The sign-up sheet for August liturgy ministries is in the hallway. We encourage you to sign up if you have a certain weekend you wish to serve. Karen will be working on the August schedule the middle of July. Thanks for all your help in volunteering and signing up. If there are slots not filled, Karen will be assigning those jobs.

Bible School will be held at our church, July 29-July 31, 6:00-8:00 pm. We encourage our kids, grades K-6 to attend and invite their friends from the other churches. We would appreciate it older kids and families could help. Contact Stacy Agnitsch or Cheri Ruley if you would be interested in helping.

Nadine Ruley is retiring as our church caretaker. She'll continue with some of her other duties, but she is giving up the cleaning part. She has compiled a list of cleaning jobs she does in each area, where cleaning supplies are located and jobs which need to be done weekly, monthly or seasonally. These jobs could include dusting,, vacuuming, cleaning the bathrooms, washing the windows of the doors, sweeping the entryways if there are leaves, mud, or snow, and various other cleaning jobs in the church.

A sign-up notebook is in the hallway to sign for a particular month August thru December and will be on the committee for a month. The chairman will call people on the list and schedule a day and time to clean. If slots aren't filled, they will be assigned & hope to have four families for each month. We are hoping for full participation from our parish family. The Guild will be doing the cleaning in July.
