Wine Tasting

1) In Santa Barbara proper

- In the FUNK ZONE, along lower State Street there are lots of wineries, all very close to each other, and are a fun walk.

<https://urbanwinetrailsb.com/wineries/funk-zone/>

2) DEEP SEA WINES, located on Stearns Wharf, left hand side, just past the aquarium, 2nd floor. Good wines and the views are amazing, either looking out at the ocean or the mountains behind.

3) LOS OLIVOS - about a 30 minute drive from Santa Barbara and a cute little town with wineries about every 25 feet or so. Park, walk around and taste.

4) ROBLAR - a great destination between Solvang & Los Olivos. Wide selection of wines and they serve food, notably a very nice brunch type meal.

5) BRAVE & MAIDEN - in Santa Ynez, so right next door to Los Olivos. Of all of the wineries in that area, the location, and wine, just cannot be beat.
