

NEED HELP WITH YOUR MEDICAL BILLS?

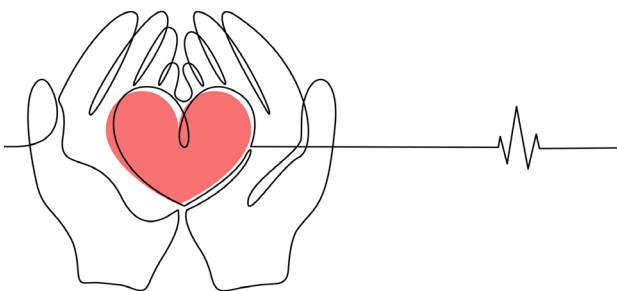

WE MAY BE ABLE TO HELP!

» The MCHD Charity Program is a way for Moore County community members to get assistance with qualifying medical bills

» Under this program, eligible patients may receive help for emergency medical care and/or care that is medically necessary

» Care must be provided at a MCHD facility, such as the hospital or emergency room, or by a physician clinic that is a part of the MCHD family. This includes:

- Moore County Adult Medicine
- Moore County Bone & Joint
- Moore County Family Health Clinic
- Moore County Foot & Ankle
- Moore County General Surgery
- Moore County Internal Medicine
- Moore County Obstetrics & Gynecology

WHO QUALIFIES?

Household Income:

Patients can receive financial help if they meet certain household income levels that show a genuine need for charity resources and are currently uninsured.

A household consists of those persons living together who have a legal responsibility for each other.

Residency:

Applicants *must* live in and *must* intend to remain in MCHD's primary service area.

Income:

Applicants must provide information about their household finances to make certain they are eligible for charity care.

Medical Care:

Applicants should have received or plan to receive emergency medical care or medically necessary medical care at their discretion.

MCHD provides financial help on a sliding scale, based upon the federal poverty level ("FPL") guidelines.
