CONDITIONS

- The authorized use location is:
 224 East Second Street, Dumas, 79029
- The individual designated to perform the functions of radiation safety officer for this certification is **Charles D. Brooks, M.D.**
- The registrant shall comply with the provisions of 25 TAC §289.203, §289.204, §289.205, §289.226, §289.230, §289.231, and §289.234.
- The registrant **shall notify** the Agency, in writing, of any changes that render the information contained in the application for the certification and/or the certification no longer accurate as required by 25 TAC §289.230.
- As requested, interventional breast radiography, i.e., needle localizations and/or stereotactic biopsies is authorized for mammography machines listed on the enclosed certification.
- Self-referral mammography is authorized by this certification in accordance with statements, representations, and procedures contained in the application dated 17 August 2023.
- This certificate will remain in effect until the expiration date, a written request for termination is submitted by the registrant, or restrictive action is taken by the Agency. This does not alleviate the registrant’s responsibility to comply with 25 TAC §289.230.

Issuance of this Certification of Registration does not alleviate you from compliance with any outstanding notices of violation or payment of any fees due.
