It's great to see so many players staying after their round and taking advantage of the restaurant specials. The pace of play in both tournaments was great, finishing in under 4.5 hours. Thank you for your efforts to keep things moving.

### **Course news and Updates:**

#### **Friday with Friends - May 9<sup>th</sup> 5:00**

The restaurant is kicking off their monthly Friday with Friends series with a \$15 dinner (baby back ribs, fries/tots, and slaw) and a Voodoo Ranger drink special. As summer goes along, this event will feature varying menu options, guest chefs, and live music. See the attached flyer.

### **Range ball buckets**

The pro shop has seen an uptick in missing range ball buckets. If you have one in your cart or your trunk or garage, please return it.

### **Take care of the course**

Please take a minute to repair your ball mark and a few others, replace or fill divots, and rake the bunkers. Let's set a good example as club members and help keep the course in good shape.

### **Associate and Dual Members**

If you're an associate member and plan to play in more than two tournaments, you must upgrade to a dual membership. The cost to upgrade is \$22. To upgrade, stop by the pro shop and add your name to the dual member list, mention it's an upgrade and pay \$22. In fairness to our full members, we are monitoring tournaments played by associates.

Thank you and I hope to see you at the next event!
