

It's been a difficult week for Spokane with several of our members affected by the fires. As a club, let's continue to look out for one another and do what we can to support our neighbors on the north side.

We had a busy July, hosting four tournaments. The turnout continues to be strong, and the course is holding up well in the heat. As for the formats, the reviews range from "Loved it!" to "What idiot thought that was a good idea". Be assured, we're listening and appreciate your honest feedback, and we're always looking for ways to improve.

Here's your tournament highlights for July, upcoming events, and club news.

Club News:

- There is a considerable pile of skins and senior payout envelopes at the pro shop. Be sure to ask if they have one for you the next time you check in.
- Season long match play has moved into the bracket round, check the results board and get your next match scheduled.
- Thank you for adopting Live Tourney real time scoring - you're doing great.
- If you haven't played in one of our events, I encourage you to give it a try. All tournaments are handicapped and flighted, so everyone has a chance to compete - and it's a great way to connect with other club members.

- Singles are always welcome - we'll do our best to find you a partner.

Thank you to our volunteers that have stepped up to help with tournament setup and check-in. If you're interested in helping with a tournament, please let me know.

Thank you for being an LCMGC member and I hope you're playing well.
