

Happy New Year, Golfers!

Hopefully your 2026 New Year's resolutions include playing more Latah Creek Men's Club tournaments. To make that lofty goal a reality, you'll need to be an active LCMGC member. Join today and be ready when the course opens.

Washington's inactive score posting season ends March 1st, but if you're lucky enough to escape to someplace warmer before then, you can post your scores once your membership is renewed.

2026 Membership Options

Full member - \$75 register here: [\[Full-Membership\]](#)

Dual member - \$35 register here: [\[Dual-Membership\]](#) ** *For players with an active GHIN with another club* **

For a full break-down of membership options [\[LCMGC-Membership-Info\]](#)

Important Note About Membership Status

The **Associate membership option** has been eliminated by WA Golf. If you use the WA Golf **auto-renew feature**, please take a moment to verify your status.

1. Open the **USGA GHIN app**
2. Look at the **top left of the home screen**
3. Check to club affiliation there
 - If it shows **Latah Creek Men's Golf Club** - you're all set
 - If it shows **WA GOLF or USGA**, then ...sorry, you're not currently an active LCMGC member

If you've been renewed incorrectly and would like to continue as an LCMGC member, you can email WA Golf at membership@wagolf.org to have your registration cancelled and refunded, then sign up as a full or dual member.

Sponsorships

Once again, we're looking for local businesses who'd like to support the club through tournament sponsorships. These partnerships help us fund meals, tee and KP prizes, and the little extras that make our events more fun and memorable.

If you know of a business that might be interested and have a lead, a simple introduction goes a long way. Please reach out anytime with an email to contact@latahcreekmc.com. Your help keeps our tournaments strong and our club thriving.

If you have any questions or looking for more information, visit our website LatahCreekMC.com or email us at: contact@latahcreekmc.com

Dust off those clubs, refresh the grips, and get busy with your off-season conditioning - our first event will be here before you know it. Wishing you all a great 2026 golf season!

Warm regards,

David Morin
