Tournament Notes:

- Rules questions - If you're in doubt and time allows, a quick Google search or call to the club house for clarification is appropriate. If you're still not certain, make a note on the scorecard and ask for the scorekeeper in the club house for a ruling. In some cases, you may need to play two balls and record both scores.
- Thank you for adopting Live Tourney real time scoring - you're doing great.

- If you haven't played in one of our events, I encourage you to give it a try. All tournaments are handicapped and flighted, so everyone has a chance to compete - and it's a great way to connect with other club members.
- Singles are always welcome - we'll do our best to find you a partner.
- If you're interested in helping with tournament set up or check-in , please let me know. We can never have enough.

Thank you for being an LCMGC member and I hope you're playing well.
