Tournament Notes:

- Thank you for your willingness to adopt Live Tourney real time scoring. I know it's an extra step, but the time it saves us is worth the effort.
- Pace of play has been mostly good, let's all do our part to move things along.
- If you haven't played in one of our events, I encourage you to give it a try. All tournaments are handicapped and flighted, so everyone has a chance to compete - and it's a great way to connect with other club members.
- Singles are always welcome - we'll do our best to find you a partner.
- If you're interested in helping with tournament set up or check-in, please let me know. We can never have enough.

Thank for being an LCMGC member and get out there and play before the days start getting shorter.
