Trike Conversion Kit for the Honda Goldwing 1500

**Redesigned GL1500 Sport Trike**

**NOW Featuring**

**INDEPENDENT SUSPENSION**

**Adding more LIFE to your riding years... and more YEARS to your riding life!**

Our customers spoke and we listened. Introducing the new Goldwing GL1500 trike with Independent Suspension. Re-engineering the suspension from a straight axle to a race-honed, fully independent suspension system delivers a trike kit with absolute performance, style and comfort - one worthy of Goldwing's legendary performance. The look and styling of the GL1500 are further complimented by CSC's industry leading designs.

*8 cu ft. of Trunk Storage Capacity*

*Performance Brake Upgrade*

*Optional Ground Effects*

## Independent Suspension

- Performance designed independent suspension with vertically stabilized opposing Rocker Mono Shock
- 300 lb. linear wound racing spring designed to accommodate a loaded weight of up to 650lbs. inclusive of accessories, luggage, and passengers. (Lighter or heavier spring weights available)
- Optional preload adjuster for simple spring preload adjustment to compensate for varying loads

## Drivetrain

- Final Drive Gear: CSC specific aluminum differential housing and gearing
- Driveshaft: One piece vibration free automotive style shaft with automotive u-joints

## Disc Brake System

- Proprietary CNC machined four-piston aluminum alloy brake caliper
- 11.5" purpose-designed cast rotor
- Check out our Performance Brake Upgrade option
