## CAPABILITY STATEMENT

UEI: GCFLSQ2JJDM3  
CAGE 7HZL1

### COMPANY OVERVIEW

Headquartered in Virginia, EWINNS LLC is a full-service IT company that supports government organizations across the nation. We're a small business with extensive experience in IT enterprises. Our team specializes in integrating and consolidating diverse technologies at a competitive cost while creating a seamless experience for our clients. Our goal is to contribute to the security, sustainability, and confidence of our country by letting government entities focus on the front end of their business
