Product	Use	Flavor Notes
80543 Whole Lager Malt	Any cold fermented beers	Cereal, grainy flavor good for any lager style. High yeild, also works well in distilling application.
85401 Whole Pilsner Malt	Any cold fermented beers	Honey, cereal grainy flavor. Excellent choice for lagers or ales where light color is desired
80584 Whole Vienna Malt	Lager, continental beers	In between Pale and Munich, golden and full-bodied
80561 Whole Munich Malt	Any beer	Biscuit, toasty and bready. Works well as a base malt and to add flavor and color to hoppy beers.
85180 Whole Super Pale Malt	IPA, bitter, golden ales, light beers	Muntons lightest ever matl. Perfect for showcasing hop flavor
85103 Whole Pale Malt - M. Otter	Any warm fermented beers	Traditional Pale Malt known for it's distinct bready and nutty flavor
85104 Whole Extra Pale Malt M.Otter	IPA, bitter, golden ales, light beers	Similar color as lager malt but with traditional Maris Otter flavor
85105 Maris Otter Blend (50/50)	Any warm fermented beers	A 50/50 blend of Maris Otter and Planet Malt
85100 Planet Pale Malt	Any warm fermented beers	An excellent choice for any ale style. Provides a rounded malt flavor with a touch of sweetness.
80496 Black Malt	Mild, Bitter, Ales, IPA, brown ale, stout, porter	Dark black color, burnt toast, charcoal, dry, bitter.
80503 Chocolate Malt	Mild, Bitter, Ales, IPA, brown ale, stout, porter	Dark brown color with ruby highlights. Burnt coffee, chocolate bean.
84596 Light Chocolate	Mild, Bitter, Ales, IPA, brown ale, stout, porter	Dark brown color with ruby highlights. Burnt coffee, more of a milk chocolate flavor than Chocolate Malt
80500 Caramalt	IPA, bitter, mild, stout, porter, golden	Adds golden color to any style of beer. Low toffee and caramel notes
80490 Amber Malt	Mild, Bitter, Ales, IPA, brown ale, stout, porter	Straw/golden color that adds a nutty and light toast flavor
83563 Crystal 110	IPA, bitter, mild, stout, porter	Copper/red/amber color. Sweet toffee, biscuit, and caramel flavors. Flavors increase as color increases.
80528 Crystal 150	IPA, bitter, mild, stout, porter	Copper/red/amber color. Sweet toffee, biscuit, and caramel flavors. Flavors increase as color increases.
83564 Crystal 240	IPA, bitter, mild, stout, porter	Copper/red/amber color. Sweet toffee, biscuit, and caramel flavors. Flavors increase as color increases.
80527 Crystal Dark (400)	IPA, bitter, mild, stout, porter	Copper/red/amber color. Sweet toffee, biscuit, and caramel flavors. Flavors increase as color increases.
80553 Brewing Wheat Malt	Lager, ale, wheat beer	Malted white wheat ideal for any wheat beer style.
80571 Roasted Barley	Mild, Bitter, Ales, IPA, brown ale, stout, porter	Un-malted roasted barley with black color, burnt toast and charcoal flavor. Will dry out any beer.
8557 Ex Pale Planet Malt	IPA, bitter, golden ales, light beers	An excellent choice for any ale style. Provides a rounded malt flavor with a touch of sweetness.
