

Abrahamic God

GOD= Immaterial, Infinite, Has Will, Has to create MATTER, Universe Is Created For A Purpose, Mankind Are Best of Creation.

Transcends 10 steps to create matter and the universe.

Naturalistic God

God: Is a substance with infinite attributes. The substance has within it two attributes of Extension and thought. God doesn't create, its exists with power. All modes of existence are powered by unlimited power of substance, and simply exist because are possible. The universe doesn't have a purpose. Everything is a mode of creation, mankind is a rational animal.

Extension: Matter & Energy. Motion & Rest.

Thought: Laws & Systems Of Nature, The Idea that makes each particular.

Summary Table:	God	Universe	Human	Universe Size	After Life	Relation to God
Supernatural God	Immaterial	Material	Body & Soul	Finite	Yes, soul is eternal	Serve God
Natural God	Immaterial/Material	Extension & Thought	Extension & Thought	Infinite	No, only matter is eternal	Act Like God
