## DECLARATION OF Jane Doe 2

I, Jane Doe 2, declare under criminal penalty under the law of Utah that the foregoing is true and correct:

1. I am over the age of eighteen and competent to testify to the statements herein.

2. Though I was too young to remember much of the abuse, from my conversations with my mother, my sisters, and my therapist, I believe that from 1982 to 1985, from when I was a newborn to when I was 3 years old, my siblings and I were sexually assaulted on numerous occasions by my father Perpetrator our family friends from our Mormon ward, Doe 1, Male Def. and Doe 2, Female Def., my paternal grandmother, LS, our teenage babysitter from our ward, CW, as well as numerous other individuals. I remember thinking that my dad and ~~\*\*\*\*\*~~ D1D & D2D were “icky” and wicked for the things they did to me. I also remember all of the stress it caused my family.

3. I understand that I was objectified and sexually assaulted during “touching parties” by the adults mentioned above. I have a recollection of being told to kiss and lick the adults present, as well as some of the other kids in inappropriate places. I was told to lick the penises of the adult men. I remember that there were always multiple people present, and that this happened on numerous occasions. I also remember that they placed candy in my bottom and touched my bottom. I recall them placing candy on other kids and being told to lick the candy off.

4. I specifically remember hiding under the tree at Christmas one year in order to get away from my dad and his “marriage lessons.”

5. From my conversations with my mother and my sisters, I recall that I told my mother that D1D & D2D threatened to run her over with D1D’s truck if I told anyone what went on at the touching parties.

6. Attached hereto as Exhibit A are selected pages from my journal (written by my mother from what I was telling her) that describe my feelings after the sexual assaults.

Signed on the 21 day of August, 2018, at Rodwood City (city or county),  
CA (state).

I don't know if Daddy is going to get ready  
to change or not. Cherry red + Cherry Blue had  
a Dad + a Mother + a Thirt came in + they searched  
their little bodies of their little kids. So  
Grandma called up + said can I have your  
kids + they said no you can't hurt them  
anymore + they said why? And they said  
that the Ucky people who touched our  
body were good. And I said were  
good + you're bad.

 We went swimming. We had a birthday cake  
 for Boppa and Belle. We're still in our family  
 wouldn't want to say anything about icky people. Or  
 Diane. Or Daddy because he is one of the wicked  
 people.

April 13, 1986  
 I love you Mommy. I'm glad Belle + Boppa got

anything.

The time we went on swimming me & A Bryan were silly. We kept getting out of the big pool and climbing in the hot tub.

I remember Daddy. Wicked people. Just Daddy.

Aug. 17, 1986

I bring happiness to my family when I do my work and get dressed! I'm going to say that in my program in Sun beams. I had fun at my Sunbeam party. It was crazy. Jane Doe 1 + Jane Doe 5 picked me up before I even had my treat.

It was fun at raging waters. I just went in the little waves. At the ocean I got more used to the waves because I went there more than once. I went down the slides.

We want the yucky people to be burned up. DLD already got burned up and so did D2D.

Daddy doesn't have to be. His repenting. We talk to this to Mommy, Belle, Viki, Wendy, Dr. Whitehead, Dr. Whitehead is very nice.

Aug. 24, 1986

One day there lived a mother and a grandmother. That grandmother was very lovable and she took Jane Doe 1 and Jane Doe 5 to camp and she missed us so much that we made her something and she loved it so much that she hugged us.

And it was very fun. We all were excited about starting new schools but we had to watch plays and videos and we made it so we should have just one sweet a day.

Me and Holy Ghost and prophecy and Jesus Christ.

Aug. 30, 1986

The lady was mean on the boats and didn't even let a 3 year old on. And so we went on Puff the Dragon. I hate the lady that was on the boats. This is an S Jane Doe 5. I loved it so much on all of the rides. The Alapine slide was fun. Jane Doe 1 + Jane Doe 5 were such a dodo. They wanted to be in front of us. I love you with all my heart but I hate Diane, D1D, D2D, D1D, and one other person. And every person who is wicked in the world. I'm earning lots of stickers at Dr. Whitehead.

my favorite but my favorite was when they were  
on their trapeze.

~~Sept~~ Oct. 5, 1986

Today is my birthday! Today is really my  
birthday month. I like Rags. I'm going to  
be a witch for Halloween. I love Mommy.  
We made shakers at Nursery School. I have lots  
of friends; Brittany, Emme, Rachel, Mandy, Mikki,  
Rags!

Oct. 12, 1986

I love you. De De Doo. I love you. My birthday  
is coming in 3 days! My birthday is coming soon! I'm  
so excited! Happy birthday to you. I love you with  
all my heart for my blessings. I love Mommy.  
I love Jane Doe 1 + Jane Doe 5. I don't know  
where they are. I've gone to the Cinderella  
park. I went to the zoo with Mommy + John Doe 1. It  
was kind of boring for me but John Doe found this car  
and he wanted to be the driver + I sat in back.  
I hate antique show. It was so boring I couldn't  
even stand. And I thought it was going to be  
fun. Dr. Whitehead gives me candy + he lets  
me play sorry all alone. I like it. I like  
Daddy. I got mad at him when he touched me

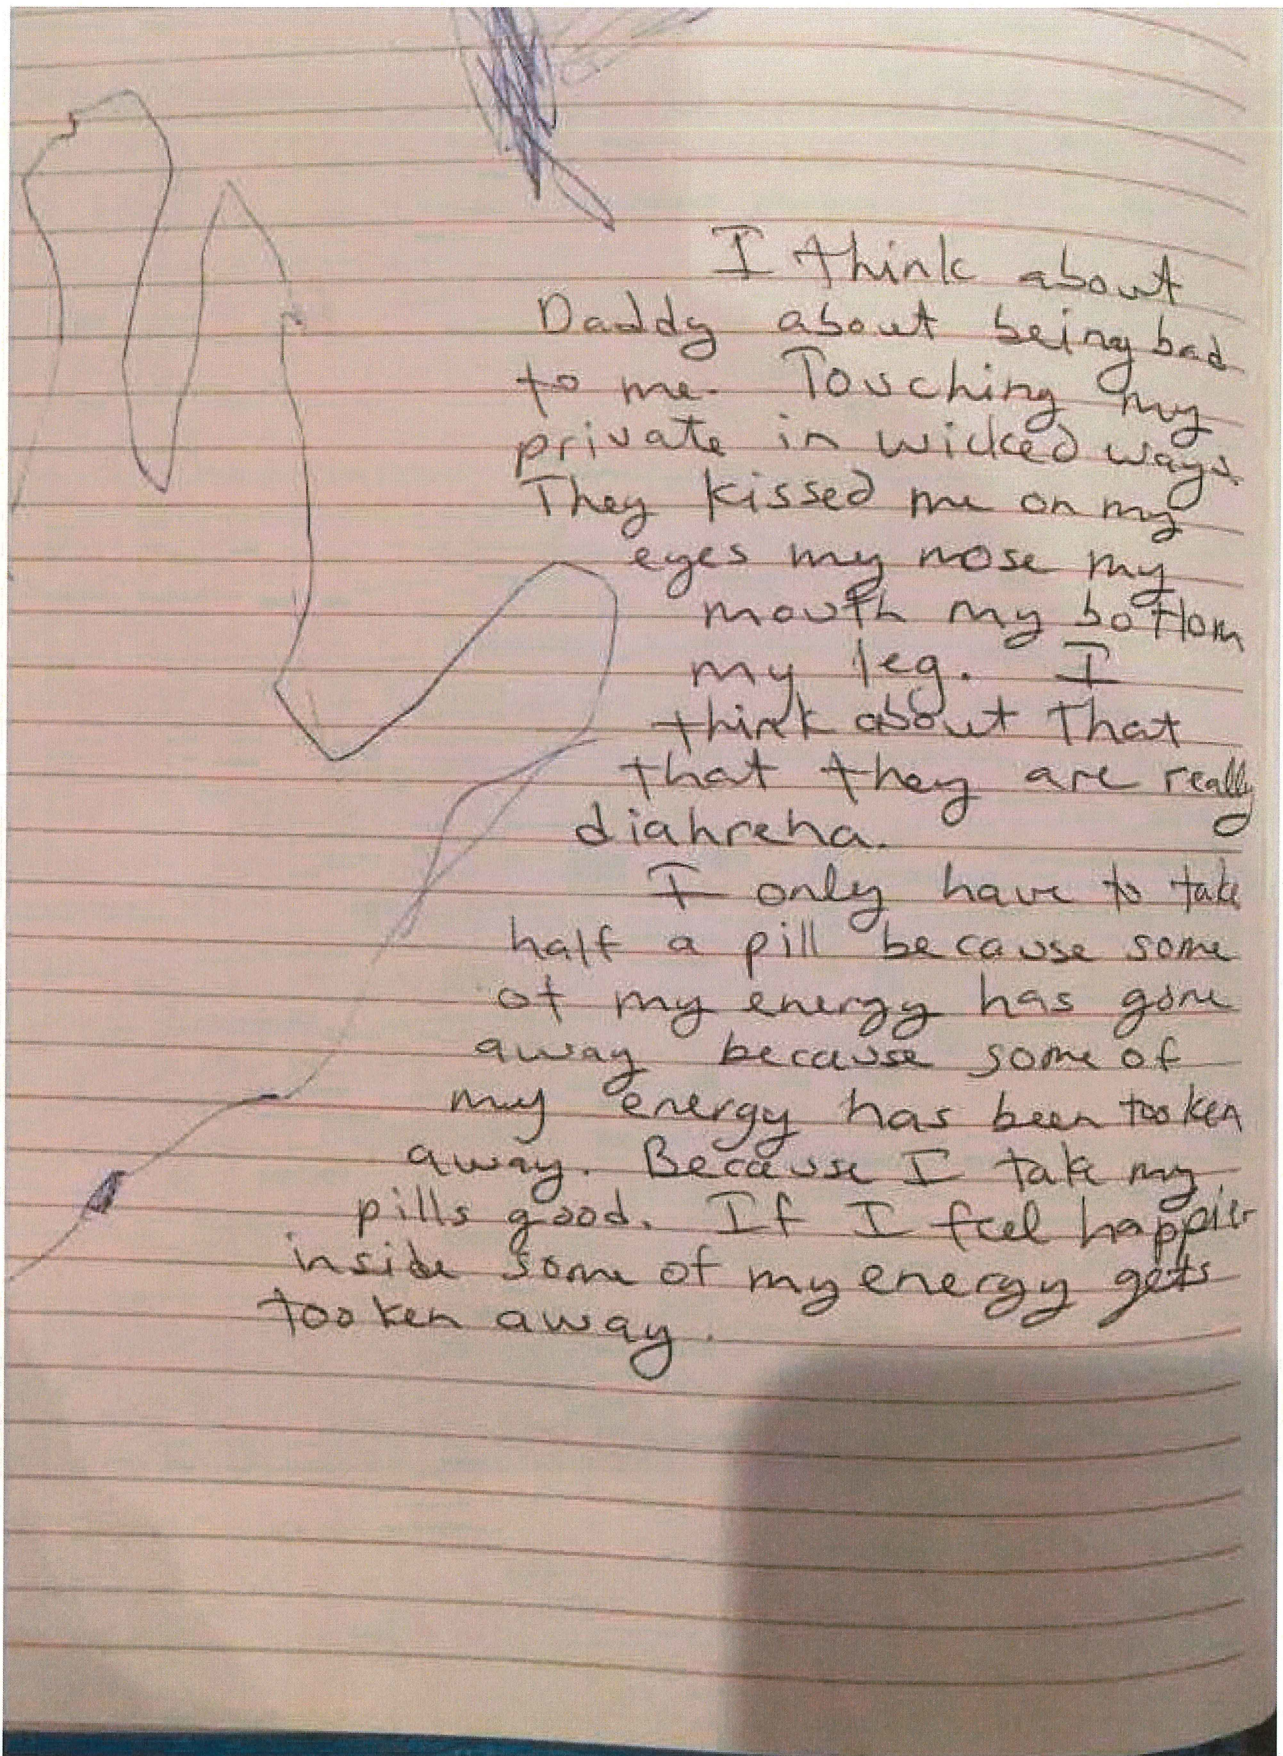

me. I didn't believe about it. I didn't believe about it when he touched me. He hurt me some. He find of locked us in the bedroom so the wicked people wouldn't touch us. But then the wicked people unlocked it & touched us. But I'm not still mad cause he's been so gone for a long time. I can't even remember him. I can remember Diane, CW, D1D, and D2D. They touched me. They hurt me some. I'm still mad at them.

Oct. 18, 1986

I liked my birthday! I liked the clown. The clown came and I hadn't even invited him! but I was happy she came. I got a purse, a puzzle that Emmy wants to do her own self and not let me do, markers, necklace, a chart, a backpack which Jane Doe S has been telling stupid things. I got a sand box from Mommy, I got a chalk board, I got a whale from Jane Doe I and clay from John Doe I. Boppa and Belle gave me hats and a magic picture and T-shirt paint.

Oct. 25, 1986

I like Daddy. And it's fun to play the Daddy song. It's fun to play with Daddy but Daddy's gone. I like playing on the computer and I used to not know.

I think about  
Daddy about being bad  
to me. Touching my  
private in wicked ways.  
They kissed me on my  
eyes my nose my  
mouth my bottom  
my leg. I  
think about that  
that they are really  
diarreha.

I only have to take  
half a pill because some  
of my energy has gone  
away because some of  
my energy has been taken  
away. Because I take my  
pills good. If I feel happier  
inside some of my energy gets  
taken away.

Jan 11, 1987

When Daddy gets better we're going to let him come and visit us kind of. And it's fun when Daddy comes and visits us. Cause we havent seen him for a long time. Of course I miss Daddy. No one wants to be icky here but in P.U. Bountiful theres a whole bunch of them. Thats why I call it P.U. Daddy loves me a whole bunch. He does some kind of wicked stuff. I remember, it havnt been so long. It doesnt make me feel very bad at all cause most of the feelings have gone out. But I still remember. I just think "now I see here".

Jan 18, 1987

If Daddy gets better he might visit us if we want him to. We only live with our Mom now cause our Dad is to sick to live with us.

I love Hero Day! It was fun. We had a whole bunch of cake and we eat and **D.I.D** and put seeds in him and pulled the cotton out ~~from~~ of him. It was very fun on Hero Day cause we went swimming in a warm warm pool and the deep was cold and **John Doe** went in the deep and Boppe went with us. It was so fun that we couldnt hear you until you shouted & then we got out. And **John Doe** was about to run right back in!

Mommy gave me my beautiful trunk and my name and everything else except the video. On Hero day its just like Christmas only you dont get anything big like a rocking chair. Cause its close to the day we told.

We forgotten most of the wicked things cause we go to Dr. Whitchhead. I only have a little bit of those feelings inside.

Jan 26/87

Let me see here, OK, I got it. I got a rocking chair & I got poand puppies from christ man

...  
cousin. I was crying and come down the steps to Mommy. The rest of the time I had fun at Tresses at a Daystar.  
I only have a few more nights to sleep in my room. I'm earning a two wheeler scooter.

I like Tresses. Belle + Boppa came to see me. And Erica + Gary.

I used to have a funny feeling in my tummy bumping. And I love my mom. That's you **Mother 1**. And I love Belle + Boppa. And Everyone. I hate the icky people. **Perpetrator** Just **Perpetrator** Did bad yucky stuff. **Perpetrator**

I go to Dinosaur Class. That's all.  
13 March

It's snowing, and I can ride my scooter over the rocks with one foot on and snow. I can. I love my Mom. Yeah yeah yeah. My mom had her hair brown and then she got it red + then she got it brown. I did these tricky steps on the snow. I did one foot and the other foot and then I did two feet.

I went out to eat with Rick. At McDonald's. Some times I don't like **John Doe** at all. I love **Jane Doe 1 and Jane Doe 5** with the birds. Rick is 41. I'm going to earn a bubble gum machine. I got a two wheeler scooter!

I like the little swim pool I do not like the big waves. I am earning a bubble gum machine without hitting my little brother **John Doe 1** like you Mommy. I like my big sisters. I like **John Doe 1** sometimes. I ate 3 pears. I did a dance about a baby. It's called "My Mommy comes back". We're learning about dinosaurs. We got a sandbox and I made my handprint. Belle and Boppa are moving. That's all I want to say.

1988

I'm going to go to Lagoon maybe. We went swimming yesterday. I don't want to watch those slides because they make me feel mad about those. Because he did those sad things to us. It makes me sorta scared to feel mad. I don't want to feel mad because then you get mad at me. I miss when he was being nice with us. He would ride on his bike. When he would give us bike rides. I sorta miss he loved us. I still sorta love him. That makes me feel sorta good. I'm a little scared to love him. I'm sorta sad to love him. I don't know why, I just am. I don't want to see him again sometime. I wouldn't be happy. I'd be scared. He might do something to me.

June 18, 1988

Rags came back and I am very glad. We have to put her in a kennel unless she's outside or we're working with her. Today was Father's Day and I gave him a Teddy and a baseball bear and a card. School is out I feel sort of good because you have more time to play in the day. Perp. is getting married. I feel sorry for the children and the Mom. Because if they don't tell they'll still have bad feelings inside them when they grow up.
