

Madison Heights Youth Baseball Association Practice Season Resumes September 13, 2021

MHYBA will resume practice season on September 13th. The safety of our players, coaches and parents remains our #1 priority. On September 13th all players and coaches will need to be fever/ symptom free for 24 hours before returning to practices. If at that time you are still quarantined, you should not return until your quarantine period is over. No test results will be necessary to return to play. New practice schedules are posted on the website madisonheightsbaseball.com Then click on Fall Ball at the top of the page.

The complex will reopen for unscheduled practices on Saturday, September 11th. This includes the fields and the batting cages. No practices will be allowed before September 11th on any MHYBA facilities. MHYBA will follow all guidelines as they arise to ensure everyone's safety and contain the spread of Covid.

Please continue to monitor the home page of our website for any Fall Ball updates. If you have a player that will not be able to return on September 13th. please contact your team manager and inform him of your child's situation so we can plan the season going forward. Thank you for your support of the decisions we choose to make and should you have concerns or need more information than found on the website, feel free to email us at mhyba.com

Sincerely,

Ronnie Adams
President MHYBA
