

**“UPDATED”**  
**Madison Heights Youth Baseball Association**  
**2020 Fall Ball Guidelines**

MHYBA Staff, Managers, Coaches and Parents

Below I have listed the guidelines for the MHYBA staff, coaches, players, parent or guardian of the players, and visiting teams.

- Players will be fitted for their jersey and hat at the first scheduled practice
- The bleachers will be marked with blue tape (X) on every other row. Please do not sit on these marked rows. A suggestion is if you are not comfortable sitting in the bleachers, bring a personal chair.
- An area of six feet from both ends of the dugouts will be roped off or (X) marked. No Fans will be allowed in these areas.
- Any shared equipment such as bats, batting helmets, and catchers gear will be sanitized between every inning by one of the team coaches.
- Players and coaches will practice social distancing whenever possible.
- Hand sanitizer stations will be set up at the entrance of the park and at the concession stand. It will also be available at the concession serving window.
- Players and coaches will not shake hands or high five at any time before, during or after the game.
- No teams will be allowed to scrimmage another team during practice season. The team practicing will use the first base dugout. The third base dugout will be closed to players and coaches.
- **No team coolers will be allowed. Each player should have their own water or Gatorade.**
- **Parents are not to bring drinks or snacks for after practice or game refreshments. These items can be purchased at the concession stand.**
- **NO Coolers allowed in the Complex.**
- The concession stand will be open during the practice and game season.
- Please practice social distancing while waiting to be served at the concession stand.
- No sunflower seeds or gum will be allowed at the complex. This includes players, parents, coaches and staff.
