

# Setting Up Vector Connect

1. Go to [www.vectorconnect.com](http://www.vectorconnect.com) and create a username

The screenshot shows the Vector Connect website interface. At the top left is the Vector logo with the text 'VECTOR Marketing Corporation'. At the top right is a 'Need Help?' link. A red banner across the top contains the message: 'We have changed our Security Credentials to log in to VectorConnect. You must create a Username and Password to access your account. [Click here to learn more.](#)'

The main content area is split into two columns. The left column is titled 'Log in to VectorConnect' and features a blue 'V' logo. Below the title is a green box with the text 'You have been logged out.' There are two input fields: 'Username or email' and 'Password'. A blue 'Submit' button is positioned below the fields. At the bottom of this column is a small link: 'Forgot Password? or Forgot Username?'. The right column is titled 'Don't have a username?' and includes a user icon. Below the title is the text 'Click on the button below to create one now.' and a prominent orange 'Create Username' button.

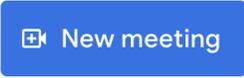

At the bottom of the page is a banner image showing a close-up of a pen holder with several pens. Overlaid on the image is the text: 'Work should be *fun*. Seriously.'

2. Log in to Vector Connect with the username and password that you created.
3. You will be prompted to set up direct deposit and to connect on social media.
