

Edmonton Adaptive Sports Association is a charitable organization that provides a first-class sledge hockey program in and around the Edmonton area for athletes of all ages and abilities. Sledge hockey is an incredible inclusive sport that enables athletes to stay physically active and thrive as part of a team. It is empowering and builds confidence, resilience and teamwork while fostering a sense of community and pride. Dedicated men, women and teens train and compete in para ice hockey on our two amazing teams.

EASA Storm B

Throughout the season, we compete in several local and out-of-town tournaments. Our favorite annual tournament is attending the NHL Sled Classic. Both teams travel to a US host city, wear authentic Oilers' jerseys and proudly represent the Edmonton Oilers on the ice. EASA Storm plays teams from all over Alberta and Western Canada at the Western Canada Sledge Hockey Tournament at the end of the season.

One of the priorities of our program is to minimize the costs to our players and their families while providing loads of opportunities to practice and compete. As a valued member of our community, we are reaching out to you to help us achieve our mission.

The 12th annual EASA Storm Sledge Hockey Golf Tournament Fundraiser is to be held on Thursday, July 9th, 2026. Please consider providing an item, gift card, cash donation or by providing sponsorship to the organization. Partnering with us is a great way to advertise your business while supporting a worthwhile cause. Thank you for considering our request! [**SPONSORSHIP FORM**](#) [**GOLF REGISTRATION FORM**](#)
