### Job Description

As the owner and operator, she oversees client relations, employee scheduling, and overall operations. Her background in healthcare, coupled with her hands-on approach, has helped Zip establish a reputation for reliability and client-centered service. Ashley handles billing and invoicing, customer inquiries, focusing on customer retention and quality service, but her best business asset is her technical knowledge of the drug testing industry in helping companies maintain compliance. She works directly with HR departments at many large companies, and they rely on her to problem solve technical and logistical problems in the industry.

### Biography

After moving to Texas with her husband, Taylor, Ashley founded and has successfully led Zip for nearly five years. Ashley Beukes holds a Bachelor of Science in Recreational Therapy from California State University, Long Beach (CSULB), where she graduated in 2015. She began her career in healthcare, working in recreational and occupational therapy at a hospital in California, where she gained valuable experience in client care and medical operations.

### Accomplishments

- Helped create HR policy solutions for Delta-9 (THC analog) that are now implemented and in use by Zip's Client's HR Depts.
- Established and Maintained business relationships with the largest transportation and energy companies in the US
- Achieved and currently hold the highest rating for a Collection Site in Houston through eScreen by having lowest number of errors across all Collection Services
