Job Description

Taylor is responsible for client outreach, employee management, and business strategy. He combines managerial duties with a focus on expanding client relationships, securing new business, and driving strategic growth. Taylor's experience in both administration and client relations makes him an invaluable asset to both Zip's day-to-day and long-term operations.

Biography

Taylor Beukes graduated with a Bachelor's degree in Psychology from CSULB in 2014. His career began in behavioral therapy and education, working in both field and administrative settings, and he has a wealth of experience working with children and educators, particularly in the field of psychology and behavioral science. Additionally, Taylor spent nearly a decade managing administrative tasks at his mother's medical practice, where he liaised with hospitals and law enforcement agencies as the primary point of contact. His experience with startups and background in marketing and strategic planning have contributed to his strong skill set in operations and client relationship management.
