

## Financial Agreement

The following is a list of financial obligations you will have to follow when you expect to live in one of the United Houses. It is very important that you become familiar with this form.

**Upon acceptance to our program, we require the following:**

- **Non-Refundable Administrative Fee (pre-paid)** **\$140.00**
- **Program Fees for 2-weeks (due upon arrival)** **\$280.00**
- **Weekly payments (due weekly effective 14 days after arrival)** **\$140.00**

If someone is assisting you with your Non-Refundable Administrative Fee, please provide their information.

NAME AND ADDRESS	PHONE NUMBER	RELATIONSHIP TO YOU

Your Non-Refundable Administrative Fee is due immediately upon acceptance into the program. We will call you and/or the names provided on your application to communicate the acceptance determination within 5 business days of receiving your application. Your bed space isn't reserved until the Non-Refundable Administrative Fee is paid.

If you are coming from TDCJ the Non-Refundable Administrative Fee must be received by our office before the Acceptance Letter is mailed to you to present to your Parole Officer. If your financial obligations are paid when the TDCJ Parole Office contacts us, we will verbally verify that you have been accepted, that there is bed space available for you, and provide the address.

Please let us know if you need further assistance.
