

Reference: Letter of Introduction, Application, and Financial Responsibility Forms

Dear Future Resident,

Enclosed are the forms necessary for consideration to stay in United House.

United House is a Christ-centered transitional home for men. The nonprofit ministry provides alternative housing and support services for men that are committed to living drug and alcohol free. The United House supports long-term recovery and self-sufficiency through a combination of life skills coaching and Bible-based mentoring. We provide a living environment that involves a 12-step substance abuse program to support alcohol and drug abuse recovery and encourage our residents to take advantage of all resources available. The programs are designed to create responsible, self-reliant individuals and are conducive to a successful transition into mainstream society.

Please aid us in our consideration of your case by filling out and returning all forms enclosed completely. The application must be complete in its entirety to be considered. Be sure to include the nature of criminal offenses.

For you to move into United House, the initial Non-Refundable Administrative Fee and first 2 weeks of Program Fees must be paid. Acceptance Letters will not be sent until the Non-Refundable Administrative Fee is remitted to United House. The 2-week Program Fees are due upon arrival.

Thank you very much for your interest in United House.

Sincerely,

Arthur Rodriguez
