## 20TH RICHARD G. BAKER RECOGNITION AWARDS

Celebrating the 20th Anniversary of this memorable event, the Community Arts Center of Cambria County (CAC) honors two individuals who have contributed to the growth and success of CAC. The Richard G. Baker Recognition Awards are given for *Dedication to Volunteer Service* and for *Excellence in Teaching*. Honorees receive a \$500 Cash Award and a Waterford Crystal Bowl. This generosity comes from Mrs. Wanda Baker, who established the awards in memory of her husband's service to our community. Mr. Baker was a highly respected engineer in his field, working for the Pennsylvania Electric Company from 1946 to 1984. He retired as a Vice President. In the community, he served on the Board of Directors of the Incorporators of Grandview Cemetery and as Past President of Lee Hospital Board of Directors.

**VOLUNTERS & TEACHERS ARE INVITED TO BE OUR GUEST AT THE BAKER RECOGNITION AWARDS**

***Saturday, May 5th at 11:00 am***

The luncheon is held at the Sunnehanna Country Club and is hosted by the Community Arts Center with our guest speaker, **Amy Arcurio, Greater Johnstown School District Superintendent.**

All Volunteers and Teachers are invited to attend as our guests.

***Please RSVP by May 3th.*** Registration for lunch is required.

## Our Honorees for 2019

**Jean Thompson,  
*Excellence in Teaching***

Jean's career in teaching began several years after college graduation and raising her family. In 1995 she began teaching high school French in Johnstown and recognized how fulfilling the success of her students was to her. Her first introduction to stained glass was a project one of her students completed in art class. Skeptical about her lack of formal art training or creative talent, Jean recognized that she could follow a pattern and produce a beautiful work of stained glass art. Glass became a hobby she shared with friends and family. After retiring from teaching in 2012, she missed the joy of seeing the achievements of her students and the interaction she had with them. She then combined her passion of the hobby with her passion of teaching and once again enjoyed the success of her students.

**Saundra Gramling,  
*Dedication to Volunteer Service***

Saundra was raised in Johnstown and began volunteering at her children's schools. She was involved with PTO and chaperoned field trips, and more. Her greatest satisfaction comes from years of reading for the Erie Blind Association and recording audio versions of novels. She volunteers in many capacities for Franklin Street United Methodist Church and serves on several committees for Allied Artists of Johnstown—she was 2019 Co-Chair of their Spring Art Show! She has sung with the Johnstown Symphony Chorus for 20 years and is their Music Librarian. Saundra "helps out wherever needed" at the Arts Center—the April Book Sale is her favorite. She and husband Thomas Gramling, Sr., have three children, twelve grandchildren and resides in Westmont Borough.
