FESTIVAL OF TREES

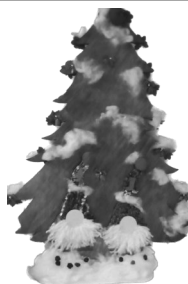

AVAILABLE BY SILENT BID THROUGH DECEMBER 17TH.

Winter In Gnomeville

Created by Billie Murphy & Joyce Lichtenfels

Enter this magical village where gnomes come out at night to play. Whimsical little houses and huggable gnomes are nestled on moss covered shelves. This tree will bring good luck to your home and put a smile on your face.

Tribute to a Friend & Snowy Owl

Created by Candace Fisher

This one-of-a-kind tree has 2 decorated sides to be enjoyed! Two gnomes on one side to represent the friendship between a “gnome-like” friend named Gary, who is fighting cancer, and a little dog named Lexie, who has brought him much joy. Side two depicts the great Snowy Owl, one of God’s great creatures.

Steelers Legends

Created by Mel Burkhart

Are you a football fan? Then this black & gold tree is for you! Steelers legends like #59 Jack Ham, #36 Jerome Bettis, #12 Terry Bradshaw, #43 Troy Palamalu, plus 9 more memorable players are represented. A great tribute to some all-time football favorites.

3-D Friends

Created by Lida Hood

This “shadowbox-look” of a tree will draw you in as you view the 3-D scene of a snowman in the forest with snowflakes gently falling. A cardinal perched on a tree branch looks down on his friend, the snowman. It has a rustic distressed look to it.

“Corky” Snowmen

Created by Donna Rogers

How “corky” is this tree... with ornaments made from wine bottle corks! 16 smiling snowmen form a garland and a “corky” star sits atop the tree. The smiling faces on these snowmen will light up your holiday season. CHEERS!

Icons of Johnstown

Created by Duane Webb

This artist has used oil paints to depict two famous icons of our city, George’s Song Shop—America’s oldest record store, and Morley’s Dog from the late 1800’s—two treasures nestled in the valleys of Johnstown, helping our city be famous.
