the Lightbearer

Log ArTHEATRE
SHORTWAVE!

Written by Johnstown's Shane Riggs

November 21—23

A United Methodist Church in a sleepy little burg near the Mason-Dixon line is the place where anybody who knows anybody who knows anything about everything comes to worship. This church is where the Lightbearer was established as an outreach program to provide clothing to the naked, food to the hungry, hope to the hopeless, and cheer to the downtrodden. Over the years, the charter members have been "going home to be with Jesus" and the remaining ranks are not having much luck attempting to recruit the younger crowd. There are only five of the regular members now left. Five women. Holding the organization... and each other together... now.
