*"We are proud to keep the Arts Alive in Cambria County by showcasing the talented work of our local young artists. You are the future of the world of art. We applaud your efforts."*

The Community Arts Center and Allied Artists are privileged to be presenting this compelling exhibition of artisanship representing a diverse group of art forms. Visitors are overwhelmed by the exceptional quality of the work and they appreciate the energy and discipline required to create the artwork, whatever the media. This exhibition is a highlight of our season because it brings so much pleasure to the viewer, along with a sense of pride in the quality of art taught in our area schools. We congratulate each student for sharing their "inner world" with the us and each teacher for nurturing the creative seed that is in each student. Congratulations to our area art educators, as this show allows us to see the passion and expertise you bring to the classroom each day.
