

RENTING THE ARTS CENTER

Each rental option includes day-before setup, where you drop off items, decorate, and prepare the space for your event. Day-before setup is based on CACCC's availability and must happen during CACCC operational hours to avoid additional charges. Saturday, Sunday and weeknight rental upcharges are in effect when CACCC is not open during regular operational hours. Tables and chairs are included in the rental price, and will be arranged prior to your arrival.

*A maintenance fee is added to all rental prices and this amount will change depending on what your total rental price is. Storage in the kitchen or use of CACCC utensils is a \$25 fee and requires a credit card on file for any incidentals to missing items from CACCC's inventory. Incidentals will be addressed within 7 days of your rental.

***Membership is not required to rent!
