ARTS & CRAFT STATIONS

Paint-a-Pal: Grab your favorite plaster pal and add colors to create a friend for life! **Sand Art Zanies & Non-Zanies:** Grab a crazy looking, googly eyed Zanie and make him into the most outstanding creation you can with various colors of sand. **Bleach Ballcap Painting:** It's all the rave! Create your very own, one-of-a-kind, baseball cap using bleach in spray bottles or with a paint brush. Use a prepared pattern or create something all your own. *(Safety goggles and gloves will be required and provided.)* **Egg Carton Bird Feeder-**Feed the Birds with your one-of-a-kind Styrofoam egg carton feeder; paint it, bedazzle it with glitter or beads, put in your bird seed and hang it in your yard to watch the birds flock. **Spin Art:** Pour on the paint, hit spin and see your creation form before your very eyes. **Slime-**Combine 3 ingredients to make slime, add glitter or beads for a sensory experience. **Hair Wrap-**An easy and colorful way to decorate your hair by winding a thread or ribbon around a braid. This hairstyle was especially popular in the 90s, but they've never really gone out of style, so you can rock one whenever you'd like! **Paint a Suncatcher-** a small, colorful, and shiny ornament that's hung near a window to catch sunlight. Suncatchers can be made from a variety of materials. When sunlight hits a suncatcher, it reflects and scatters the light around the room, creating a rainbow-like effect.

CARNIVAL GAMES

Lucky Duck Pond- Ducks are numbered #1, #2, #3. 1 is the general prize to slightly bigger and 3 is the Top Prize winner. **Bucket Toss-** 3 different sized buckets in a line. Sticker for trying and depending on the bucket size, prizes will be awarded.
