ABOUT US

Located in Johnstown, Pennsylvania, the Community Arts Center reaches out to a community of 250,000 people, as well as thousands of tourists each year from around the world.

Our mission is to provide an inspiring and creative gathering place where the arts improve the quality of life for everyone. Our vision is to continue to expand our reach of delivering traditional and contemporary art experiences throughout the region, which will enhance the cultural community of artists and art enthusiasts who share the appreciation of art.

Our permanent art exhibits on display include: The Shirley Gaynor exhibit, the Ponas Doll Museum, and, most recently established, the M. Josephine Paul Family Museum. We also proudly display up to ten rotating exhibits each year.
