7. APPR Committee
 - a. Close to submitting a plan to the state. Very similar to the non-3012D people have who are tenured. Looking at a 5-6 year

cycle where you will have 2 observations and you need to hit all the teaching standards but they can't be hit in the same year. Video-taping will be an optional choice. If it is being videotaped the observer still has to keep the script. If your observation does not go the way you wanted it to go- you can redo your observation.
