

The 2024 Friday Night Market and Concert Series is back!

Every year, we strive to bring the best entertainment, including upbeat live music, local vendors, and activities for the kids. This year, we will be bringing back your favorite rolling restaurants and beer and wine from yours truly, The Elizabeth Brewing Company. We need your help to keep our favorite community event free to the public. This year, the market will run every Friday from June 14th through August 16th, 2024.

You can help us make this event one for the record books in a few ways. Below are the sponsorship levels for this year, including a new special perk in our top tier! You are the key to drawing in a good crowd and keeping them coming back this summer.
