

# Journey

BIEBER, CA

## Journey

---

Enjoy a mini  
retreat in quiet  
Northern  
California & let us  
help you find local  
attractions &  
places to *explore*.

---

*Hello friend,*

Whether this is your first time hearing about our Airbnb <https://bit.ly/4n8Lh4t> or are a repeat customer-welcome! We're glad you're here. Bieber (yes, truly that is the name of the town and no relation to Justin Bieber) is located in far northeastern California. There are no stop lights and you might find yourself wondering if you ever want to leave. There are plenty of outdoor recreation opportunities and local attractions to keep you and your family busy for days.

Peek through this brochure and plan your next getaway. We can't wait to host you!

**As a thank you for booking through this brochure, you'll receive an exclusive discounted rate on your stay. Just mention "*BROCHURE STAY*" in the comment to unlock your special price!**

**Let us help you uncover local hidden gems, peaceful trails, and memorable moments.**

With gratitude,

***-Daniel & Maren McFarlin***
