Church Photo Directory

It has been three years since Trinity last did an update of our church directory and 10 years since we did a pictorial directory.

WE NEED YOUR HELP!!

Will your family take any pictures when you gather for the holidays? Snap that picture and email it to **trinity@trinity-mt.org** and we will add it to our new church directory. Don't have a digital camera or someone to snap that photo for you? Stop by the church office on a Sunday morning or during the week and we will snap it for you.

You don't need to have a professional photographer take your photo and it does not matter if the family dog or cat sneaks into the shot, send it to us anyway. You can even send us photos of the **WHOLE** family – members or not – and we will include that as your submission.

Trinity would like gather member photographs and update any member information and then print a pictorial directory to be distributed sometime in late March.

This directory will be completely done “in-house” so it will not cost the members anything other than time to take a photo, send it to the church and update any household information.

Want to help gather photos and get the directory together? Let the church office know and we will keep you in the loop.
