Lutherans for Life ~ February 28th ~ "Christians are to show no partiality whatsoever. My brother in Christ who happens to have more melanin than I have in the paper-thin upper level of our skin—while all the skin below the paper is the same—is not of a different race than I. So-called 'race' is not even skin deep! That's mere upper-skin coloring, not race. Varying levels of mere melanin indicate that we're all coffee beans—some are blonde roast, some are medium or dark or espresso roast, but we're all coffee, we're all colored people." *James M. Kushiner, The Fellowship of St. Jame – A Life Quote from Lutherans For Life • lutheransforlife.org*
