RE: Key Requirements for Students Enrolled in Home Study, Aenon Institute or Online Digital Coursework Regarding Completion of All Assignments by June 30, 2025

Praise the Lord and greetings in the name of Jesus.

Thank you for enrolling in the last edition of our traditional program in Ministerial Introduction (MI) or Ordination Preparation (OP) with Aenon Bible College. We appreciate your interest in our programs, and we look forward to engaging you in our ongoing professional development sessions and academic programs in the months and years to come.

You are receiving this letter because you are currently enrolled in either Ministerial Introduction or Ordination Preparation. **This letter is to inform and remind you that all coursework in Ministerial Introduction and Ordination Preparation must be fully completed by 11:59 p.m. on Monday, June 30, 2025.** For students who are enrolled in our Home Study program, Aenon Institute, or the Online Digital Program, we encourage you to submit your final submission as far in advance as you can to ensure it meets the deadline and to confirm that the information has been received. We are encouraging all students to submit their final materials via email so a digital record of your submission can be confirmed. Please check with your Clinical Faculty Member (Facilitator) for details

regarding correct and current email addresses, phone numbers and information on general communication.

Also, please be advised that students who do not submit their final submissions on time or fail to complete all assignments in either MI or OP, by June 30, 2025, will be deemed as not passing, and will be required to take the course under the new program design, which starts in August 2025. We encourage all students to visit our website, www.aenononline.org and read about the curriculum and program requirements for the new programs in Fellowship Papers, Elder License, Ordination License, Pastor's Leadership Track, and Episcopal Formation.
