

Ministerial Licensing

A. Foundational Doctrine and Theology

These courses establish a theological and biblical foundation essential for ministry.

1. Basic Doctrine

- Introduction to the foundational beliefs of the Christian faith.

2. Systematic Theology 1

- Exploring systematic theology with a focus on understanding God's nature and His works.

3. New Testament

- Provides an overview of the New Testament's content, structure, and themes, focusing on its historical, theological, and literary significance.

4. Old Testament

- Provides an overview of the historical, theological, and literary content of the Old Testament.

5. Biblical Hermeneutics

- Foundational principles and methods of biblical interpretation, with a focus on Spirit-led hermeneutical skills rooted in Apostolic doctrine.

B. Organizational and Ethical Preparation

Courses in this section familiarize students with the practical aspects of ministry and organizational context.

6. Your Organization

- Overview of the history, structure, and mission of the Pentecostal Assemblies of the World.

7. Pulpit Etiquette and Public Speaking

- Learning the ethical standards and appropriate conduct for ministry leaders.
 - Developing effective communication skills for preaching and teaching.

C. Public Engagement and Cultural Awareness

These courses prepare students to engage effectively with diverse audiences and cultural contexts.

8. Cultural Engagements

- Understanding and addressing cultural dynamics in ministry.

D. Biblical and Leadership Studies

Courses in this section deepen students' biblical knowledge and leadership skills.

9. Life and Teaching of JESUS

- Exploring the ministry and message of JESUS as the foundation for Christian living.

10. Christian Leadership

- Equipping students with the principles and practices of effective church leadership.

E. Practical Ministry and Administration

These courses focus on the practical and administrative aspects of ministry.

11. Intro to Church Budgeting

- Basic financial management skills for ministry contexts.

12. Church Rituals

- Understanding the purpose and execution of key church ordinances and rituals.

F. Personal and Spiritual Care

This section emphasizes the importance of self-care and spiritual health for sustainable ministry.

13. Self-Care

- Strategies for maintaining personal and spiritual well-being in ministry.

G. Advanced Applications

These courses focus on practical ministry skills and provide an opportunity to apply all that has been learned.

14. Sermon Preparation

- Developing and delivering effective, biblically sound sermons.

15. Project/Practicum

- A capstone project demonstrating mastery of ministry principles, including a presentation or implementation of a ministry initiative.
- A hands-on experience or comprehensive project demonstrating mastery of ordination principles.
