

Lay Worker Certification

Your Role in Ministry

Course Description:

This class helps individuals serving in different areas of ministry understand their spiritual calling, responsibilities, relationship to pastoral leadership, and importance to the local church.

Understanding People in Ministry

Course Description:

A foundational course designed to equip beginning ministers and church workers with the biblical, spiritual, emotional, and relational skills necessary to serve people effectively.

Specialized Course

Course Description:

Specialized training in ministry is required for specialized roles (e.g., Sunday School Teacher, Deacon, Outreach Organizer).
