

Minister Certification

Introduction to Preaching

Course Description: Provides students with a foundational understanding of the art and science of biblical preaching.

The Role of the Minister

Course Description: Explores the critical responsibilities, expectations, and opportunities for associate ministers within the church. Emphasis is placed on biblical servant leadership, teamwork, and the maintenance of spiritual and professional integrity.

Bible Survey: Overview

Course Description: Provides a comprehensive look at the entire scope of Scripture, often divided into historical eras. It focuses on the overarching biblical story, highlighting the unity of the Old and New Testaments and how they point to Jesus Christ.
