

This is Aenon

Since 1941, Aenon Bible College has been the official ministerial training and leadership center of the Pentecostal Assemblies of the World. Founded in Columbus, Ohio by the late Bishop Karl F. Smith, Aenon has faithfully equipped Apostolic Pentecostal ministers and leaders across the U.S. and around the world for over eight decades.

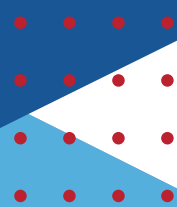

Rooted in our rich heritage and anointed by the Holy Spirit, Aenon's mission is clear: to provide systematic, faith-driven higher education that prepares ministers and leaders with the 21st-century skills they need to serve effectively and lead boldly.

Our experienced, credentialed, Holy Ghost-filled faculty and staff carry forward Aenon's legacy as the International Clearinghouse for Licensing and Ordination of Apostolic Pentecostal ministers — training men and women to lead with excellence and conviction, wherever God calls them.

Program Overview

The Pastor's Leadership Academy

Aenon Bible College believes all ministers and Apostolic Pentecostal leaders should be life-long learners. The Pastor's Leadership Academy is a series of seminars, modules and workshops designed in a number of relevant and significant ministerial and leadership areas.

The goal of this level of ongoing professional development is to enhance and support pastors in their daily work as leaders of their flock. The Pastoral Leadership Academy contains the required and mandated annual professional development session (Master Class) for all ministers and leaders in the Pentecostal Assemblies of the World, Inc.

All licensed ministers will need to include their certificate of completion of a Pastoral Leadership and Learning webinar offered by Aenon Bible College.

In addition to the required annual Master Class session, pastors seeking to advance to higher levels of leadership including, District Elder, Suffragan Bishop, and officers at the international levels will need to complete the curriculum of the Pastor's Leadership Academy.
