This is Aenon

Since 1941, Aenon Bible College has been the official ministerial training and leadership center of the Pentecostal Assemblies of the World. Founded in Columbus, Ohio by the late Bishop Karl F. Smith, Aenon has faithfully equipped Apostolic Pentecostal ministers and leaders across the U.S. and around the world for over eight decades.

Rooted in our rich heritage and anointed by the Holy Spirit, Aenon's mission is clear: to provide systematic, faith-driven higher education that prepares ministers and leaders with the 21st-century skills they need to serve effectively and lead boldly.

Our experienced, credentialed, Holy Ghost-filled faculty and staff carry forward Aenon's legacy as the International Clearinghouse for Licensing and Ordination of Apostolic Pentecostal ministers — training men and women to lead with excellence and conviction, wherever God calls them.

Program Overview

The Ministerial Certification

Apostolic Pentecostal organizations are doctrinally firm and dedicated to ensuring that the ministers in training are growing and developing for sharing and delivering the word of God on a global level. Church executives understand the importance and significance of training and development. In order to work together to uphold the Apostolic doctrine, train ministers and spread the gospel worldwide, it is critical that there is a sound, robust, and rigorous training and preparation process for ministers. The primary goal for Ministerial Certification is to affirm that all ministers have a sound spiritual foundation from which to build their ministry. Students enrolled in the Ministerial Certification program will adhere to the outlined requirements, ensures doctrinal consistency, accountability, legal recognition, and leadership development, while protecting the integrity of the Apostolic Pentecostal organization.

This certification also fosters spiritual growth, organizational unity, and proper ministerial preparation, ultimately strengthening the mission and effectiveness in ministry. These Ministerial Certification requirements are for new students to the ministry. All ministers who currently hold the traditional Fellowship Papers may continue to renew them on an annual basis.
