From the President's Desk

Wow - half of 2025 is already gone, time truly flies by. Hopefully everyone has had a great year so far, and will continue through the rest of the year. As stated below, your community is always looking for others to get involved. We are truly interested in neighbors that want to help make the community better. We'd love to have you join the team!! As you wander the neighborhoods you probably noticed the start of the roofing projects - we completed Sterling Ct, Durham Ct and along Wrought Iron Bend. We'll continue on in 2026 and beyond, trying to knock out 2 or 3 Courts a year until they are all finished. We'll also be working on doing some parking area sealing, re-striping and having the house numbers painted on the curbs.

Help Still Needed Neighbors!

In addition to the request below for someone to put together the quarterly Messenger for the community, we're looking for homeowners to help out and provide assistance with common area clean-up, flowerbed inspections, house and fence inspections. If you're interested, please leave your name with Annette in the office.

If you have large items to dispose of, you may contact GFL (our provider) at 757-487-2220 and request a special pick up for which they will charge a small fee, or you can take the item(s) to the York County disposal site. Trash totes may be placed at curbside after 5:00pm (the evening prior to service day) and returned to your storage area inside your fenced area or in your garage not later than 7:pm the day of service. Pulling the tote up to the garage or along side of your house is not acceptable. In the event of a Federal holiday, the trash may be delayed one day.

Library of Virginia provides access to historical archive of Virginia newspapers

The Library of Virginia's online historical archive of Virginia newspapers, Virginia Chronicle, provides free access to full text searching and digitized images of over 5 million newspaper pages. These historic newspapers give glimpses into the lives of Virginians from 1736 to 2020, outlining everything from local politics to community happenings to notable moments in American history. You can browse the collection by newspaper title or by date.

Library of Virginia recently notified us that the York Town Crier (1978-2001) and its successor, York Town Crier: The Poquoson Post (2002-2019), have been digitized and added to the collection. Check out the October 11, 1984 York Town Crier, pages B2-B6, and read about the grand opening of the original Yorktown Library in 1984.

Virginia Chronicle is also a great resource for local historians and genealogists. Check out these moments in history:

- You'll find issues of the Virginia Gazette dating back to September 3, 1736.
- The Declaration of Independence is printed in the July 20, 1776 issue, on page 2 of the Virginia Gazette.
- Correspondence between General Grant and General Lee about the surrender of the Army of Northern Virginia is in the Alexandria Gazette, Volume 66, Number 81, April 10, 1865.
- Read about the assassination of President Lincoln in the Alexandria Gazette, Volume 66, Number 86, April 15, 1865.

Virginia Chronicle is a product of the Virginia Newspaper Program, which works to locate, describe, inventory, preserve, and provide public access to United States imprint newspapers housed at the Library of Virginia and throughout the Commonwealth. Virginia Chronicle contributes images to Chronicling America, the national version of this database.

Smithy Glen Yard of the Month

We had a wonderful year celebrating those homeowners going the extra mile and making their yards the absolutely best. We've had wonderful looking houses in May (201 Wexford Ct) and June (603 Hamlet Ct), more to come in the following months! Let's all help keep Smithy Glen looking great!

Have you noticed our two pair of resident swans floating around the Smithy Glen pond? They were purchased to deter the geese from "fouling" our streets and walkways. So far they are definitely doing the trick, as the large groups of geese have not been gathering in our area.

HAVE AN IDEA FOR ARTICLES FOR OUR FUTURE NEWSLETTERS?

**Please be sure to let us know by

Newsletters are produced quarterly.**

The deadline for submission for publication in the Jul-Sep issue is June 15, 2025.

Thanks!

PAINTING - We continue to paint on our projected schedule and can only stay on schedule with your help. Prior to painting, approximately a week before, you'll receive a notice that painting/power washing will be completed - it's imperative you move items off your porches pads and out of the way. If you fail to move your items, the house will not be cleaned/painted, and no make-up dates will be honored. It's a simple task to take care of - please do your part. Also, to ensure you don't get hit with a bill to replace rotten wood in your soffit, make sure you are cleaning our your gutters! If the reason for rotten wood is overflow from dirty/clogged gutters, the HOA will not pay for those repairs. Repairs due to homeowner neglect will be the homeowners responsibility.

FENCE REPAIR - The Smithy Glen board would like to thank everyone who stepped up and made much needed repairs to their fences. The new and repaired fences look exceptional! Remember that the wood needs to cure before staining, usually 3 months after installation. Also, be sure to use only the Smithy Glen approved color Sherwin Williams SuperDeck Oil Based Semi Transparent - "Riverwood" or Olympic Elite Semi-Solid "Canyon Sunset". **All fences that were repaired and replaced are overdue for staining, please take action to stain your fences with the proper stain listed above. There are still many fences that need some love - please spend a little time on your fences to add some screws to tighten them up, replace damaged boards and stain accordingly.**

ARC

A quick reminder - if you plan on doing any work to the exterior of your residence (windows, doors, fence etc) before you complete the work, you must have an approved ARC request. Adhering to the guidelines is vital to:

1. Preserving Property Values
2. Promotes Community Harmony
3. Ensuring Fairness
4. Maintaining Safety and Functionality
5. Enhancing Long-Term Planning

Please be familiar with the guidelines before starting a project. Submit the proper requests and engage with the HOA. If you fail to get approval prior to completing the job, you face having to remove or replace the completed work - don't risk the large financial input!

Rules and Regs: DID YOU KNOW? Coventry is a covenant community which means we have rules to keep our neighborhoods attractive and welcoming. Here are some of the important guidelines to follow:

Animals: Residents may have a maximum of TWO four legged animals. All dogs must be on a leash, and owners are responsible for cleaning up after their pet.

Nuisances: These include behaviors which affect your neighbors such as: unusually loud music, continuously barking dogs, irresponsible use of bicycles, skateboards, and scooters. This also includes unsightly materials left out where they can be seen by neighbors.

Flower Beds: The flower beds on your property are the residents responsibility to be kept in a neat and attractive condition. Weeds must be removed in a timely manner, beds should be mulched annually, and shrubs need to be pruned on a regular basis.

Everyone knows the saying - "See something, Say something". This saying doesn't just apply to notifying the police of strange behavior, but also applies to your community and the everyday actions. If you see something you know is wrong in the community - report it through use of a CAF. This is an anonymous process! The reporting will eliminate unsightly items like this in the community! Provide the specifics such as the address of the individual that dumped the junk, and the board will take care of the rest.

New to the area and not sure how to navigate County Offices and Services? for a complete list of available services, visit the "HOW DO I?" page at <https://www.yorkcounty.gov/9/How-Do-I>

Left in from the last newsletter because of importance -From Your Master Board:

Coventry homeowners have requested online bill pay for homeowners dues for many years. After exploring a number of options and resources, in 2024 the Master Board decided to contract with Town Management to provide bookkeeping services. With this contract a portal is provided to benefit Coventry homeowners. There is one big change coming - the last date for payment has always been the 15th of the month, that's staying the same. However, if you pay by dropping off to the office, it must be dropped off by the 10th of the month so that it can be processed to the bank. If not received by the 10th, it will be late.

The Portal offers the following features for you to use:

- Check your association's account transaction and make a payment
- Update your resident profile with the latest information
- Access the latest documents uploaded by your community - Contact your board or association manager
- View announcements and alerts for the community

Town Management provides the bookkeeping services for our community. Use of the portal for homeowner dues payments is encouraged, however payments will be accepted in the office and sent to Town Management for processing with Alliance Association Bank. Please allow time for your individual account to be updated by Town Management.

How to set up online payments with Alliance Association Bank, one-time payment or mail to:
